

JOHNNY G SPIRIT BIKE

THE JOHNNY G SPIRIT BIKE

The Johnny G Spirit Bike is the perfect innovation – with the past molded and forged into the future.

The electronically-controlled, magnetic resistance system allows users to duplicate, replicate and differentiate their training sessions. Performance metrics are accessible at all times on the high-visibility LED display. The cockpit-style console has been strategically crafted to transport you into an elevated state of performance through the integration of mind and body.

Features:

- Electronically controlled magnetic resistance system with multiple adjustment touchpoints.
- Belt drive system provides the feel of a road bike.
- Proprietary handlebar design for comfort and resistance buttons at your fingertips regardless of ride position.
- Solid steel construction and triple powder coated for durability.
- Smart, Bluetooth® and ANT+™ enabled electronics.
- Full connectivity with Strava®, Zwift®, Spivi®, and MyZone®.

We have also created an informational PowerPoint, listed below.

FEATURED INSTALLATION

STUDIO B

Kelowna, BC, Canada
Britney B., Owner

Offering indoor cycling, strength training, bootcamp and personal training to over 30 classes every week.

"We are thrilled to be the first Johnny G Spirit bikes. From the saddle they feel the electronic shifting and the smooth motion."

Prior to our opening in Kelowna, we had a lot of options out there, and we knew that we wanted something that was even comparable in ride quality to the Spirit bike.

FEATURED INSTALLATION

COTO DE CAZA

Coto de Caza, California, USA
Corey T., Fitness Director

This Spa and Sport Club is 13,000 sq. ft. offering full service fitness to 5,000 members a week, 12 of which are indoor cycling.

"I have been looking for a bike that I'm glad that I waited until I purchased the bikes. That's because I went over all his new Spirit bikes. So after cycling and to be able to get feedback on RPM, HR, and the ability to perform a 5 minute or 20 minute FTP test, I can use this information to my advantage."

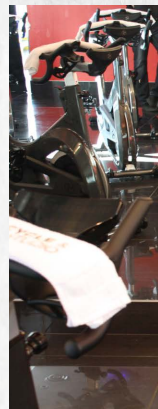

FEATURED INSTALLATION

FEELGOOD FITNESS

Dave Wright, Creator and CEO of Myzone and Owner of Feelgood Fitness Gyms

Johnny G. commented: "It's fantastic to see the first UK installation of the Johnny G Spirit Bikes at Feelgood Fitness. The bike has been developed to enhance the end user's experience and the FG Cycle Zone provides the perfect example of how this is being achieved."

Dave Wright, Creator and CEO of Myzone and Owner of Feelgood Fitness Gyms, added: "We could not be more delighted to have the bikes created by the person who introduced indoor cycling to the world, Johnny G. Feelgood Fitness is the global training centre for Myzone so we have operators from around the world visiting and experiencing the Myzone technology. Why not have the best in breed for indoor cycling bikes too?"
